

FOR IMMEDIATE RELEASE

Physical Optics Corporation (POC) Awarded CMMI-DEV/3 v1.3 Level 3 Certification

February 27, 2015 – Torrance, CA – [Physical Optics Corporation](http://www.poc.com) (POC) today announced it has successfully achieved CMMI-DEV/3 v1.3 Level 3 certification. Capability Maturity Model Integration (CMMI) is a process improvement framework that guides organizations in high-performance operations. The Standard CMMI Appraisal Method for Process Improvement (SCAMPI) is designed to provide benchmark quality ratings relative to CMMI models.

Congratulations to the entire POC team for realizing this prestigious designation.

Our Published CMMI® Appraisal Results (PARS) are posted here:
